### CERTIFICATE

This is to certify that, the completion of interdisciplinary course (*i.e.* Service Course) of 4 credits approved by affiliating university in semester-III is mandatory. The Service course was arranged in the Institute for academic years 2017-18 & 2018-19, as per the affiliating university's syllabus. Students were admitted for Service Course "Pisciculture" and their internal assessment was done by the Guest faculty member. The term end examination and assessment was conducted by affiliating university. The marks/ grades were given and incorporated in the semester III Mark Sheet by university; hence issuing the certificate for the completion of this course does not a purview of this Institute.
